

28th November 2001

Dear Marco,

As we approach the end of our 25th year in business, Roger and Maddy would like to share our anniversary with you and celebrate Christmas by offering you this small gift, as a token of our appreciation for your part in Star Hire's life so far.

We hope you will continue your association with us and we look forward to many more years together, hopefully as we go from strength to strength.

Our very best wishes.

Maddy
